

MR. MOHAMMAD SUMARNO
TECHNICAL OPERATIONS DIRECTOR
PT Taisho Pharmaceutical Indonesia Tbk.
Indonesia

“

Taisho's philosophy to 'contribute to society by creating and offering superior pharmaceuticals and health-related products', is very similar to the philosophy of SHIMADZU. We have thus chosen SHIMADZU instruments to support us in managing and securing good quality control for each product we manufacture.

SHIMADZU HAS ALSO HELPED US TO SUCCESSFULLY PASS AUDITS FROM BOTH OUR OVERSEAS PARTNERS AND DOMESTIC REGULATORY BODIES.

”
